First Friday Car Meet Up - September 4

The next **First Friday Car Meet Up** is on **Friday, September 4**. There's no registration, just roll in to Main Ave. downtown and hang out from 4:00 to 7:00 PM. Space is limited, so don't be late. A few of our club

members attended the August Meet Up and it was a fun evening with a great turnout.

September Club Event - September 6

We are going to be selecting a few local car events to be designated as **Club Events** so our members can enter and park together. First up…**The Vista Rod Run**.

The **36th Annual Vista Rod Run** will be on **Sunday, September 6.** We will meet together, drive to the show, and enter together as a club. You can pay the registration fee on the day of show ($45.00) or register online ($40.00). No cash is accepted for registration and there are no refunds.

It’s easy to register online. Click on the graphic below to go right to the registration page!

Or go to: www.eventbrite.com

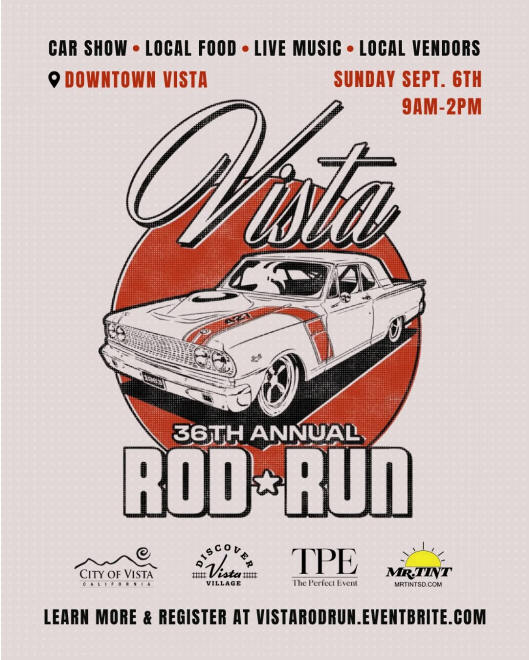

Search for Vista Rod Run and click on "Reserve a Spot"

We will meet at the Bonsall Cars N Coffee location, Banc of California, and **depart at 7:00 AM as a group**. Steve will lead us and we'll stay together so we can park together. Bring a chair and wear your FVCC garb! Show cars must stay until 2:00 PM.

If you are pre-registered (recommended), bring a printed copy or show your registration on your phone at the entry. You will get a vehicle placard to place on your dashboard after you have parked.

There are 40 trophies to be awarded, music, auto parts vendors, and food vendors. The show is open to the public from 9:00 AM - 2:00 PM.

Email Steve if you are going: sshap@sbcglobal.net

September Road Trip - September 11

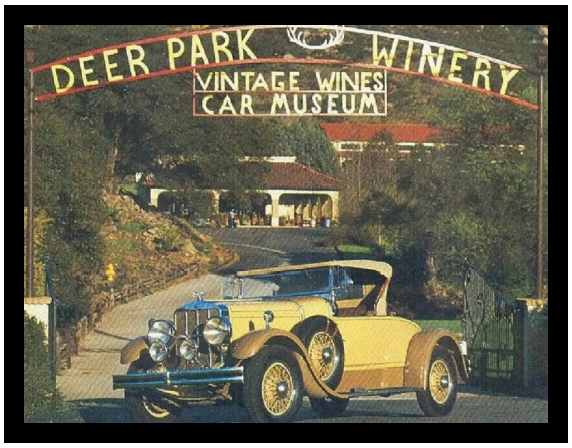

On **Friday, September 11**, we are visiting **Deer Park Winery and Auto Museum** (29013 Champagne Blvd.) for a mini car show and picnic. Plan to arrive at Deer Park at 10:00 AM and park in the lower parking lot. Gary will be there to direct traffic and parking. The lot is adjacent to picnic tables, benches, and room to gather. Bring brunch

and lunch food to share (heavy appetizers, finger foods, and desserts).

After looking at our cars, visiting, and snacking we will go through the museum ($10.00 each - group rate). There are three buildings. They have one of the world's largest convertible collections as well as period-era household machines and appliances. Furniture, kitchen appliances, washer, dryers, you name it! Some rare cars too, such as a 1954 Kaiser Darrin (the car with sliding doors), 1941 and 1954 Packards, a 1949 Lincoln Cosmopolitan convertible, a 1941 Buick Roadmaster Phaeton, and a Hudson Pacemaker. Plus, see the picture of Lawrence Welk hugging the Deer Park owners.

After the museum tour we'll have time for some picnic lunch and wine tasting. It should be great fun and nostalgic!

Show & Shine - September 13

This year's last **Show & Shine** at the **Oceanside In-N-Out Burger** on is on **Sunday, September 13.** Our friends from the 5150 Rat Rods will be running a **Valve Cover Derby** at this one. If you've not seen valve cover racing you're in for a treat. As always, there's no need to register. Just roll in from 4:00 to 7:00 PM, but get there early if you want a good parking space.

Board Meeting Highlights

There was no Board Meeting in August. The next Board Meeting is on **September 10** at the Shapiro's home. Club members are always welcome to attend or host a meeting!
